

Dear Valued MGI Graduate

It is with great excitement that we write this letter to you, to invite you to register with MGI as one of our alumni students. As we at MGI have a vision to grow MGI and to make MGI more visible in the market place, the one main area we want to look at, is through our valued graduates.

You are all in the corporate world applying the skills learnt at MGI and we would like to know where you are and what you are doing as far as your career goes. It is important for any tertiary institution to be able to keep track of their graduates and the Alumni programme is the best way for us to do just that.

As a result we would like you to please register on our website alumni page, www.mgi.ac.za/alumni. This will take just a few minutes but will give you access to all the alumni events that we are planning to put into place, plus any additional news that takes place at MGI. Also please tell any other past graduates of MGI to also register on the website as well. The bigger we can grow the alumni from the past 20 years, the better.

Just a few of the exciting pieces of news that has taken place at MGI over that last few months to a year:

1. MGI is 20 years old this year, 2009.
2. We are running our first Registrars evening at MGI. This is a relationship building excise with the top management form the large Public Universities.
3. MGI now has a monthly newspaper, *The Midrand Flame*, run entirely by the Journalism Students. We plan to send this to the Alumni every so often so that you can see what is happening on campus from time-to-time.
4. At last MGI is a national institution. We have 5 accredited remote sites of delivery within South Africa. These being, 2 in Cape town, 1 in Durban, 1 in Nelspruit and 1 in Pretoria. Watch this place for further remote sites soon.
5. MGI is awaiting accreditation for a post graduate qualification from the CHE, plus looking into more post graduate courses.
6. We are in the process of opening 2 new faculties, these being in Education and Engineering, again watch this space for more info!!
7. Our Basketball team continues to thrive year on year. We also look forward to more competitive teams sporting the MGI name throughout Gauteng soon, as we have a long awaited Sports Co-ordinator position that has been appointed at MGI.
8. The first (of many) Alumni catalogues has been designed and printed. Should you want one please feel free to email caryo@mgi.ac.za

So, lots of exciting news happening as MGI continues to be the best private provider of education in South Africa. Please don't forget to register on our website at www.mgi.ac.za we look forward to hearing from you soon.

Kind regards
MGI Alumni Team
